Dear Mr. Caspary:

As discussed in the phone conversation on 7 July 1993 between yourself and Mr. Barry Hoffman of Southern Division, Naval Facilities Engineering Command, a minor permit modification (in accordance with 17-730.290 FAC) to permit number HF 16 - 152661 is requested.

As previously discussed, the modification involves a change in condition seven (7) of the NAS Jacksonville RCRA Permit. Replace Basic Sampling and Analysis Plan (BSAP) with the Contractors Comprehensive Quality Assurance Project Plan (QAPP) already on file at FDEP.

A check in the amount of \$250.00 is enclosed to cover the fee for a minor modification.

If you have any questions or comments, please contact Mr. Barry Hoffman at (803)743-0322.
